## To Join WIQH

Simply complete the short form above, cut on the dotted line and bring the top half of this page (that would be the form) to WIQH's studios. The station is on the first floor in Room 150 at Concord Carlisle High School. WIQH is open during the school day and after school until at least 9:00 p.m. You can bring the form by any time during those hours.

Make sure you let us know what you're interested in doing:

**DJing** - is being on the air hosting a show, be it music, talk, sports or whatever

**Sportscasting** - includes doing play-by-play announcing for our coverage of CCHS sports, or writing and announcing regular sports reports

**Newscasting** - is journalism, interviewing people, writing and reporting news, entertainment reporting and more

**Technical** - maintaining the station's professional broadcast equipment, including electronics, wiring, equipment operation, remote broadcast setup and more

**Publicity/Promotions** - includes creating posters and on-air advertisements for the station, helping to invent contests and give-aways, designing T-shirts, working at remote broadcasts

**Fundraising** - is helping to organize and run events that bring in donations to support WIQH

**Music** - mostly involves recording music into the WIQH computer system and helping the station acquire a larger song database (it is NOT being on air...see DJing)

**Video/TV** - is working at CCTV, an affiliate of WIQH

Sorry, but membership in WIQH is only open to students who currently attend CCHS, and to CCHS staff.

Got a question about joining? Stop by and ask for any of the station managers, call WIQH at (978)-369-2440 or check WIQH.org.
